Re: Southern Star Central Gas Pipeline, Inc.
2021 Annual Peak Day Capacity Report
Docket No. RM85-1-000

Dear Ms. Bose:

Pursuant to Section 284.13(d)(2) of the Federal Energy Regulatory Commission's Regulations, each interstate pipeline providing transportation subject to the provision of Subpart A of Part 284 is required to submit an annual filing showing the total estimated peak day firm service capacity of the pipeline's system; the estimated storage capacity and maximum daily delivery capability of storage facilities under reasonably representative operating assumptions; and the respective assignments of that capacity to the various firm services provided by the pipeline.

Southern Star Central Gas Pipeline, Inc. is eFiling its 2021 Annual Peak Day Capacity Report as required by Section 284.13.

Sincerely,

/s/ Will Wathen
